Automatic Gift Plan Agreement

By enrolling in the St. Jude Automatic Gift Plan, I understand that authorization to charge my account as indicated above shall remain in effect until I have notified St. Jude of its termination in writing and St. Jude has had a reasonable opportunity to act on it. I understand that my monthly financial statement shall serve as my receipt.

Why Give by Credit Card?

It's one more way you can help the children of St. Jude - If all of our Partners In Hope gave their monthly donations automatically by credit card, it would mean an extra \$1 million dollars each year to help save children's lives.

It's convenient - Your contributions happen automatically, so you no longer have to write a check each month. You'll continue to get your monthly mailings including a picture of a child you are helping with your generous support.

It's the fastest way to help our children - St. Jude receives credit card donations immediately and efficiently, so we can put your gifts to work right away for the children.

It's secure - St. Jude is dedicated to preserving your confidentiality and privacy. Your credit card transaction is secure and you'll never have to worry that your check might be lost in the mail.
